By signing this agreement, you agree that a deposit of 10% or \$1,000, whichever is less, is due upon signing of this estimate. Once deposit is recieved, money for all materials is due. Payment on labor is due at the time of completion of each line item on this estimate/invoice. If you're missing any parts from IKEA and are waiting for them to arrive from being on backorder, then 90% of the IKEA cabinet installation cost is due upon completion up to installing the missing parts. Ex. If your cabinet installation is \$1,000 and your missing 3 doors from IKEA, you agree to pay \$900 and leave a remaining balance of \$100 until the missing parts arrive. All monies for materials, including countertops, IKEA cabinets & appliances, or any raw construction materials are due upon signing of this estimate. Countertop materials & labor for installation of countertops are not seperated and must be paid 100% before install.
